Muz 222-23-1.

The appellant above-named
begs to prefer this appeal against
the order of the Learned Deputy
Commissioner of Bangalore in
Muzaroi appeal no. 1 of 23-24
confirming the order of the Learned
Subdivision Officer of Cholepet
removing the appellant from
the office of Pujarship of Bada-
veswara temple, situated in -
Dodda Ankanahalli village -
Kylancha Hobli, Cholepet Taluk

1) The Learned Deputy Commissioner, Mer erred in disposing off the appeal adversely to the appellant without giving any opportunity either to the appellant or to his advocate of presenting the case before him

2) The Learned Deputy Commissioner erred in holding that the appeal preferred before him by the appellant was barred by limitation. It is not apparent from his order on what basis he held that the appeal was out of time, but if he purported to compute the time from the date of the communication made by the Subdivision Officer to the Deputy Amildar on 21-6-23 the appellant humbly submits that the time was — calculated on a wrong basis altogether. The communication of an order from a superior officer to his subordinate in the Department could not ^{have} been intended for the information of the party & the date of such communication could not give the starting point for limitation; On the other hand an endorsement which is herewith produced & dated

and informing him, ^{the} order re-
moving him from office. The en-
dorsement was received by the
appellant on 18-8-23. The said
appellant preferred the appeal
against the said order to the
Deputy Commissioner on 6-9-23
so that even if the time should
be computed from the date of the
said endorsement i.e. 11-8-23 &
not from the date of its receipt
by the appellant. The appeal of
the appellant against the said
order was preferred within 23
days from the date of the order
& so the appellant submits that
the appeal was filed in time &
the observation of the learned
Deputy Commissioner to the
contrary was not correct.

3) The learned Deputy Comm-
issioner erred in holding that
the appellant's rights had not
yet "crystallized by being held
for three generations"! He failed
to see that even the avowed
enemies of the appellant who
alone have stirred up the
strife on false & unfounded

allegations viz. Krishnegowda
+ Hanumegowda
oath before the Deputy Amildar
statements to the effect that the
office of Pujariship was heridita-
ry in the family of the appellant;
extracts from their depositions
showing this are given below.

In these circumstances the
learned Deputy Commissioner
erred not only in holding that
the higher was not hereditary but
also in confirming the order
giving away the office to an

utter stranger to the family like
the respondent when on their ^{own} ~~shot~~
ing of the devotees there were the -
appellant & his brothers who were
deemed quite fit to hold the
said office.

4) The Learned Deputy Commiss-
ioner failed to see that the order
of the Learned Subdivision Officer
based on a joint investigation
made by himself (ie the Sub-
division Officer) & the Deputy Amil-
dar was bad in law as in any
event at least the Deputy Ami-
ldar could not have been a
duly authorized Muzaroi offi-
cer ~~to~~ within the meaning of
the Muzaroi Regulation.

5) The Learned Deputy Comm-
-issioner failed to see that the
provisions of Section 36 of Muzar-
oi Regulation were not at all
complied with; only a few of the
devotees whose number was far-
shot of the minimum required,
& investigation of the Patel. The
pronounced enemy of the app^{lt}
objected only to the first cousin
brother of the appellant continuing
in office; they not only did not
ob but actually expressed

desire that they would only be too glad to see the app^lt or his brother being ~~a~~ installed in office. So there was no kind of justification at all for wresting the office from the family of the appellants & giving it away to a ~~very~~ ^{very} ~~far~~ ^{far} like the respondents. ~~As~~ In any event the appellants' family ought to have been as per terms of Section 36 of the regulation been adequately compensated for the loss of the office.

N: 13: The endorsement given to the appellant from the Taluk office & the order of the learned Deputy Commissioner in appeal are herewith appended. The former of them is not stamped as it is only an endorsement & not a copy of the order. For these reasons the appellant humbly prays that this Honourable Court may be pleased to reverse the orders of the courts below ^{continue} & ~~for~~ the office in the holding either of the appellant or in that of any of his brothers; he also further

prays that pending the disposal of this appeal this Honourable court may be pleased to stay further proceedings in execution of the orders under this appeal

N.B. The appeal is preferred before this Court as the Learned Muzrai Commissioner before whom it was filed returned it for perusal before this Court. The time occupied in the interval may kindly be condoned.

Muzrai Commissioner in Mysore,

K. V. Anantaraman, Esquire., B.A.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

With reference to your letter No.1180/Muz.222-23-2 dated the 6th

A March 1924 forwarding for report with records the appeal petition of

B Basviah against the order of the Deputy Commissioner Bangalore District

(B) in the matter of his right to the Pujariship of Basveswara temple in

Dodda Ankanahalli village, Closepet Sub-Taluk, I have the honor to submit herewith the records received with the Bangalore Deputy Commissioner's letter No.O.C.2532 of 23-24 dated the 30th April 1924 in which he refers

B to his office memo in the appeal file for the facts of the case. The

Appellant's conduct and his neglect of Puja in the temple having been --

complained of by the villagers in a body, the Deputy Commissioner and the

Sub Division Officer visited the village and made personal enquiries and

after being satisfied as to the truth of the allegations, the Sub Division

Officer on the recommendation of the Deputy Amildar ordered the removal

(D) of the appellant from the Archakship and the appointment of a new man ----

selected and brought by the villagers. The Inam land has been leased out

by auction fetching a revenue of Rs.113-12-0 per annum to the temple.

(E) The Deputy Commissioner's finding against the appellant that he is not the

hereditary archak is borne out by the fact that as seen from the records

the appellant's father was brought as Pujari by the present Patel's -----

father and after his death his uncle was conducting puja. The appellant

has lost the sympathy of the villagers who are the devotees of the temple.

In this circumstance the Deputy Commissioner's order appealed against, --

seems to be correct.

The appeal petition and its enclosures received with your letter under reply are also returned herewith.

I have the honor to be,

Sir,

Your most obedient servant,

K. S. S. S.

Muzrai Commissioner.

ing the respd. Nagamangaliah

Order

The case was heard on
23rd Aug 1924. The ap^l_t
was represented by his
Advocate Mr M. Lakshminarasappa,
and the resp^t, by
Mr Narsimhaengar.

The Dy Com^r has dismissed
the appeal preferred to him
by the ap^l_t ^{after a perusal of} the records ^{connected with}
^{the case} and without giving a hearing
to the ap^l_t on the grounds that
(1) the appeal petition was time barred,
and (2) the p^l not being a hereditary
Anchak, the appointment of a
Stranger to the office was
in order.

On the first point, it is seen from
the records that though the order of
the Sub Div^l Officer directing the
dismissal of the ap^l_t was passed in
April 1923, it was not com-
municated to the ap^l_t
till 11th Aug. 1923 and as he
presented the appeal to
the Dy. Com^r on 4th Sept^r 1923

The appeal petition
should be considered
~~to be~~ in time and
the Dy. Commr was
therefore not right.
Further the Dy. Commr
has not stated in his
order on what evidence
or other material he
based his finding
that the appt had
no hereditary hak in
the office.

In these circumstances,
Gmt are unable
to uphold the order
of the Dy. Commr.
The case will therefore
be remanded to him
for disposal on the
merits after giving
a hearing to the
appt.
